Forecast for Tuesday 24 Nov 2020

Weather: It will be cloudy throughout the day with rain feeding in from the southwest. This will give some heavy burst at times, particularly during the middle part of the day. Clearing to the east late evening with drier and clearer conditions behind.

Chance of cloud free mountain/hill tops above 800m: Low throughout the day.

Visibility: Poor at height, moderate at lower levels becoming good to end the day.
